

ClinicalTrials.gov Results Registration System (Data Entry Mock-up)

Certain Agreements

**Restrictions on PI after
Study Completion Date*:**

Is the PI an employee of the sponsor?
(If “yes,” skip the remaining questions)

**Is there an agreement between the PI
and the Sponsor (or its agents) that
restricts the rights of the PI to discuss
or publish results of the trial after the
study completion date?**
(If “yes,” select one of the following)

Yes

No

Yes

No

* Other than an agreement solely to comply with applicable provisions of law protecting the privacy of human participants.

**Indicate which type of restriction
applies:**

- ☐ The only restriction on the PI is that the sponsor has a fixed amount of time that is **≤60 days**, during which time the sponsor can review the communication; the sponsor cannot require any changes to the communication, and cannot extend the embargo past the predetermined length of time.
- ☐ The only restriction on the PI is that the sponsor has a fixed amount of time that is **>60 days**, during which time the sponsor can review the communication; the sponsor cannot require any changes to the communication, and cannot extend the embargo past the predetermined length of time.
- ☐ Other agreements that restrict the right of the PI to discuss or publish results after the study completion date.
